

Investing for Success

Under this agreement for 2017

Norris Road State School will receive

\$218 672*

This funding will be used to:

- support and improve literacy learning outcomes for all students and establish effective language learning environments where highly focused interactive teaching takes place
- continue to support literacy and numeracy development, particularly in the early years, with improved outcomes for Prep a priority
- provide on-going PD opportunities for all teachers to develop pedagogy to support students' literacy development
- support all students to achieve National Minimum Standards for Reading
- provide opportunities for teachers to engage with reading data to effectively plan consolidated units of work that focus on student-centred learning goals
- lift the representation in the Upper Two Bands across all domains of NAPLAN

Our initiatives include:

- increasing SLP time to support early identification of students requiring additional support
- providing training and on-going support for Teachers and Aides in the delivery and implementation of effective intervention programs (eg STRIVE)
- providing each teacher with release time to interrogate data related to targeted goal setting for students
- providing opportunities for teachers to observe modelled lessons and engage with Reading Coach to improve practice
- boosting Teacher Aide hours already allocated
- increasing Teacher Aide support in the classrooms – employ additional Teacher Aides to ensure focused TA support for each year level
- embedding early language programs
- utilising Teacher Aides to provide small group, intensive and targeted teaching to improve results for identified students in literacy and numeracy
